

## **WAITROSE SPONSORS ABERGAVENNY EISTEDDFOD**

Waitrose of Abergavenny has announced a new sponsorship agreement with the Abergavenny Eisteddfod, which this year celebrates its fifth "modern day" anniversary. The Eisteddfod takes place on Saturday 17 June.

Waitrose has agreed to offer £200 worth of prize money to the winners of the instrumental ensemble competition for children of primary school age. The competition is open to any group of between 6 and 10 children aged 11 and under.

The prize money will be split between the three groups who win through the preliminary stages of the competitions to compete on stage on June 17. £100 will go to the winning school, £25 to the second and £15 to the third, with the remainder of the prize money being divided among the individual competitors.

"We are delighted to be able to support local schools in this way" said Elizabeth Jug of Abergavenny Waitrose, "and we're looking forward to seeing all the musical talent on display on June 17."
